

Download TUG papers and presentations from the TUG portlet in eKnowledge. Use the TUG portlet to:

- ▶ View **Abstracts**.
- ▶ Sort by **Date and Time**, **Presenter(s)**, or **Program**.
- ▶ Download multiple **Papers/Presentations** or a full **Program** in one zip file.

How to Sort

In the TUG portlet, sortable columns are indicated by underlined text and triangles in the header row.

To sort by **Date and Time**, **Presenter**, or **Program**:

1. Select a year from the drop-down menu in the TUG portlet and click [Go](#).
2. Click either the link name or the triangle in the column header you want to sort on the **TUG 200X** page.

Please Note:

When a column has been sorted, the background color changes on the header row which indicates how the Papers/Presentations have been sorted.

When the triangle on the header row points up, the column is sorted in ascending order. When the triangle points down, the column is sorted in descending order.

How to Download Multiple Files

To download files from more than one Program:

1. Select a year from the drop-down menu in the TUG portlet and click [Go](#).
2. Select 10 or fewer checkboxes on the left of the files you want to download.
3. Click [Continue Download](#) on the bottom of the page. The list of the papers and presentations selected for download displays.
4. Confirm your selections.

If okay, click [Download](#) on the bottom of the page. A **File Download** window displays asking whether you want to **Open** or **Save** the zip file that contains your documents.

To edit, click the **Back** button to return to the **TUG 200X** page. When finished, click [Continue Download](#) on the bottom of the page and go to Step 4.

5. **Open** or **Save** your selections.
